**Norman's Principles Audit +
Capstone App HCI Lens**

Figma Board URL

<https://www.figma.com/design/rwKhBnsKjEBprhQpC5kiez/GetPrio-HCI---IAS--UI-UX-?node-id=61-2>

Included Boards

- Deliverable overview and Capstone App HCI Lens.
- Norman-style principles audit matrix.
- Screen-level HCI lens for customer, vendor, and admin flows.
- Findings and recommendations.

Audit Lens

- Visibility, feedback, affordances, signifiers, mapping, constraints, conceptual model, and error recovery.
- Applied to GetPrio queue, OTP, public board, RBAC, and admin screens.
